

Speech Critique

Getting feedback from others can help improve performance. As you listen to a speech, or view a videotape, follow these guidelines:

- Be honest, but tactful.
- Make a few specific suggestions.
- Balance out negative comments with positive ones.

Complete the blanks below for each speech.

I liked your speech because:

These specific areas need improvement:

To improve in those areas, you might want to try:

You did a good job on:

Overall, I think your speech was effective because:
